Subject: RE: UBCO Tournament

Hi Andy and all,

Thanks for the kindly email! It was totally understandable that you wasn't able to show up. In fact TK and Wayne from this email list played in this tournament. TK helped a lot for the usage of the announcing system as well as the observation area.

The event was a success. I believe everybody had fun there and we did clean both upstairs and downstairs before we called it a day. For pictures I am sharing you a few from my cell phone as attachments of this email, and we had a professional photographer there who will provide us more pictures soon with better quality. May I suggest we wait and use those for the website?

As a summary of the players and cost due, we had 44 players (list attached) showed up and played during the tournament. Among them we had 18 non-members (one is under 19 years age, so she is paying \$3) and 26 KBC members. So the money we owe KBC is as the followings:

\$125 as the court fee (5 hours x 5 courts x \$5)

\$88 as the drop in fee (17 x \$5 = \$85 plus \$3)

So the total is \$213.00. Are we able to do e-transfer for the payment?

I have also collected the "Waiver forms" for all the non-members, and can provide to you at request. Taking this opportunity, I would like to say "thank you" again for the support from you, TK and the board!

I will be at the court tonight at 8:30pm. Feel free to come downstairs and chat 😊

Regards,
Nathan
