

KBC Guidelines for Playing During the COVID-19 Pandemic

Created July 23, 2020

Revised November 3, 2020 to address mask use in common areas

Revised November 10, 2020 to update booking rules and guest policy

Revised December 4, 2020 for rollback to singles only

Revised June 16, 2021 for BC Restart Step 2

There are a number of guidelines and regulations for safe use of the club in compliance with local and provincial guidelines during this pandemic. These KBC policies may be revised over time and the most recent version supersedes all previous versions.

Players are responsible for being aware of the current rules, and all members are asked to kindly encourage each other to follow them. If everyone does their part to abide by them, we can all enjoy the benefits of playing badminton while minimizing known risks.

Requirements to Play at KBC

- You must be a member of KBC to play. Drop-ins are not allowed. Guests are also not allowed at this time. No exceptions.
- You must have a valid booking for a specific court (see *Booking Courts*). You may not show up without one.
- You must arrive after your booking starts and leave before your booking ends.
- You must have your access card with you and card-in for tracking purposes. No exceptions.
- You must wear a mask in all areas of the club unless actually playing on court. This includes the benches around the courts, the change rooms and the entrance foyer.
- Please come changed and ready to play. The change rooms are only available for two people at a time for storage of winter gear.
- You must have indoor-only court shoes.
- You must have your own water/drink if you need it. Water fountains are removed.
- You must follow all distancing protocols at the club (see below).
- You must wash or sanitize your hands prior to playing and as you leave. There are sanitization stations around the courts.

Requirements to Stay Away from KBC

- Anyone who has had symptoms of COVID-19 in the last 10 days. Symptoms include fever, chills, new or worsening cough, shortness of breath, sore throat, and new muscle aches or headache.
- Anyone directed by Public Health to self-isolate.
- Anyone who was arrived from outside of Canada in the last 14 days.
- Anyone has had contact with a confirmed COVID-19 case in the last 14 days.

The Courts

- Singles and doubles are allowed. If playing doubles, all players on court must be comfortable with this.
- Players are encouraged to sanitize their hands before playing, avoid touching their face while playing, and sanitize their hands after playing.
- No more than 2 additional people can be assigned to a court and be waiting or sitting.
- All waiting players must be seated in one of the marked spots or stand at least 2 m from anyone else. All waiting players must wear a mask.
- Avoid unnecessary movement behind the courts.
- Maintain a 2 m distance from everyone else. The one exception is when playing, particularly doubles, and all players on that court must agree to this risk.
- A wave or virtual high-five should replace the traditional handshake. Physical contact should be minimized.
- Players are not allowed to enter the building prior to their scheduled start time.
- Players must leave the building prior to their scheduled end time.
- Players should leave the building when they are done playing. Linger or socializing anywhere inside the club is discouraged.

Other Areas

- No waiting in the foyer. Players leaving should do so before players entering and maintain a 2 m distance. Everyone must wear a mask in the foyer.
- The change rooms and washrooms are available for up to 2 people at a time. Those people must wear a mask and maintain 2m from each other. Players are encouraged to come ready to play.
- The showers are unavailable for use at this time. Players must shower at home.
- The upstairs viewing area and kitchen are unavailable for any use at this time.
- No spectators are allowed in the building at this time. Drivers/rides must wait outside.

Booking Courts

- KBC members must have a court booking for a specific court in order to arrive at the club. Members not listed on a valid booking may not show up at the club.
- Courts can be booked for singles or doubles, with a maximum of 2 additional people sitting in either case. There are no exceptions to these maximums. That means 2-4 people per court if playing singles and 4-6 people per court if playing doubles.
- Courts are booked online at kelownabadminton.skedda.com, which can be accessed from our website at kelownabadminton.ca. Contact the Booking Manager (booking@kelownabadminton.ca) to set up an account.
- Court bookings must identify the specific members included in the booking and only those players may arrive at the club to play. The names of all players, including the booker, must be included in the Notes section of the booking.
- Bookings must accurately list the actual players for tracking purposes. Bookings may be edited up to the start time of the booking. If a listed player does not show up for a booking, the booker must notify the Booking Manager of the change as soon as

possible. Failure to accurately list players on a court may result in suspension of booking privileges.

- Non-members may not play at the club and may not be included in any bookings.
- At the discretion of the Booking Manager, multiple courts may be booked by a single person on behalf of a group. That person becomes responsible for all of the courts they have booked to ensure that their group complies with the rules. Each member of the group needs to be aware that they have a spot and the booker needs to be aware of everyone actually coming to ensure capacity limits are followed.
- The Booking Manager will remove bookings that take too many courts or use courts inefficiently during busy times.
- The member making a booking must be able to provide a contact phone number for each person included in their booking upon request.
- Bookings must be made online in half hour increments up to a maximum of 2 hours. Members should not book more time than they need.
- Members may not extend bookings by having someone in their group book the subsequent time slot. Members wishing to play longer may request permission from the Booking Manager, who will decide based on a number of factors.
- Players may continue to play on a court that remains unbooked after their booking, but it is their responsibility to check to make sure the court remains unbooked.
- Courts may be booked up to three days in advance. Courts may be booked until the start time of the booking.
- Courts that will not be used must be cancelled 24 hours in advance to make them available for other players. Booking courts and not using them or cancelling them at the last minute may result in suspension of booking privileges.
- Restricted access members may only book courts during the times the facility is available to them.
- Juniors may book courts at any time, but their access cards only work during junior-specific times. Juniors still require a supervising adult in the building, which must either be playing on court or in one of the designated seats in the gym, unless otherwise approved by the Booking Manager. Parents are no longer able to wait upstairs.
- The Booking Manager has the right to cancel or modify any booking.

While KBC is committed to minimizing risk through policies and building changes, all risks cannot technically be eliminated. Each player must assess their own risk tolerance in deciding whether and how to enjoy the club, within the limits of these guidelines.

We appreciate your patience while we all navigate our “new normal” here at KBC. We will continue to move forward with our members’ best interests in mind while abiding by our regional and provincial guidelines to ensure the health and safety of all of our members. We ask players to be respectful of other players that may have different views on personal safety during this time. The executive will review any issues and adjust policies as needed.
