Looking at the cumulative registrations, shown below, we are just a little behind our record year last year. That's a great result

Member Insurance - Martin outlined the problems in the past with the BBC member insurance and the conflict caused by the different year ends for KBC & BBC. The possibility of obtaining liability insurance through another source was discussed. Val did get a quote for coverage through Interior Savings and Anubhav will look further into coverage through Sport BC. More discussion on this is needed with possibility of waiver added to the registration web page and included on guest information section.

Maintenance - Laing Services attended the club in May to clean out the roof drains. No invoice has been received for this to date. Martin to look up the information from their previous inspection to see what work is needed so we can get that done.

Financial Report - Anubhav

Changes being made to monthly presentation to give better idea of finances as compared to previous year.
